THE VOICE OF BUSINESS SINCE 1888

As the voice of business for the Kenora area, the Chamber of Commerce is always addressing issues that could impact the local business community.

Whether it concerns City by-law changes or budgeting, we want to make sure your concerns are heard and a favourable outcome targeted.

In addition to our own lobbying efforts, we lobby on your behalf at the regional, provincial and federal levels through our affiliations with the Canadian Chamber of Commerce, Ontario Chamber of Commerce and the Northwestern Ontario Associated Chambers of Commerce.

As we may not always be aware of certain issues affecting your business, we encourage you to contact the Chamber with any municipal, regional, provincial or federal concerns.

A large voice carries much more political weight than a small voice. We are here to help your business prosper and succeed.

Your opinion is necessary to help develop strategies on future Chamber direction. We welcome your telephone and email messages or in-person visits.

MIXER

The Chamber is planning a special mixer to celebrate our **120th anniversary**. Date and time to be announced at a later date.

22ND HOME & LEISURE SHOW – April 25, 26 & 27

Kenora is Going Green! A positive move towards choices that are good for the environment is making waves across the nation and Kenora is jumping on board! This year's Kenora Home & Leisure Show at the Recreation Centre will have a green spin on it.

Today's consumers are looking for environmentally responsible products and services – what better place to promote them than on beautiful Lake of the Woods where healthy living and a healthy environment go hand in hand. Shopping for green choices is one way in which we can preserve the "natural" in Kenora as "A Natural Attraction".

The show will feature many great events and activities including seminars on Explore Watersheds, Beaver Tales, Bird Quest, All About Owls, and Easy Ways to Go Green; an expanded Children's Section with games and face painting; hip hop dancers; Kenora Circus Kids; Silent Auction; draws and prizes.

The show is set for:
Friday April 25th from 6:00 pm – 9:00 pm
Saturday April 26th from 10:00 am – 8:00 pm
Sunday April 27th from 11:00 am – 4:00 pm
