The 2009 Kenora & District Chamber of Commerce Business Directory is ready. We would like to thank everyone who supported this year's business directory. Each Chamber member will receive a complimentary directory. THE VOICE OF BUSINESS SINCE 1888

As the voice of business for the Kenora area, the Chamber of Commerce is always addressing issues that could impact the local business community.

Whether it concerns City by-law changes or budgeting, we want to make sure your concerns are heard and a favourable outcome targeted.

In addition to our own lobbying efforts, we lobby on your behalf at the regional, provincial and federal levels through our affiliations with the Canadian Chamber of Commerce, Ontario Chamber of Commerce and the Northwestern Ontario Associated Chambers of Commerce.

As we may not always be aware of certain issues affecting your business, we encourage you to contact the Chamber with any municipal, regional, provincial or federal concerns.

A large voice carries much more political weight than a small voice. We are here to help your business prosper and succeed.

Your opinion is necessary to help develop strategies on future Chamber direction. We welcome your telephone and email messages or in-person visits.

NOACC SPRING MEETING – THUNDER BAY

President Dwayne Yaremko and Board of Director Tracy Laffin will be attending the NOACC Spring Annual General Meeting on May 7-9 in Thunder Bay.
